### 1. Reason for the Changes

As the Company enters the first year of its new long-term management plan and new medium-term management plan, it has decided to review its management structure in order to accelerate sustainable growth and the enhancement of corporate value.

Under these circumstances, Masahiro Oga wa, Representative Director, President, requested that he step down from the position of Representative Director, President upon the expiration of his term of office as Director on May 27, 2026, in order to devote himself fully to execution leadership for the expansion of the AI Robotics Business and the New Mechatronics Application Business, which are growth areas for the Company, and to focus on medical treatment for a pre-existing condition.
